THE EASY CALVING CHOICE OF CHAMPIONS

SIZE MATTERS

BABY BLUE X AIRHART 577
50 LB BW • THF PHAF

The size matters females that are in production are the best females we have had to date! Beautiful udders and a look that is like no other! With the 3rd calf crop being born this year it is safe to say that the average birth weight on these calves does not exceed 60 lbs.

Size Matters is being used in the most successful programs of the south including: Horn Livestock, Petzold & Witherspoon, Detherage, Keeter, Colton & Carter Airhart, Rushley Brothers of MO, S&R Show Cattle, Young & Rogers, and of course Potts Show Cattle just to list a few.

SEMEN: \$30
